## SPARKLING WINE MOSCATO GOLD NV

---

### TASTING NOTES

This wine is styled on the famous Italian Asti wines. Made from the aromatic Muscat grape which highlights the natural fruit flavours of the variety.

The immediate impact is a bouquet of intense fruit salad, lychees, and lifted confectionary aromas which are associated with Muscat grapes. The palate is like eating fresh summer grapes. The Muscat flavours persist throughout the length of the palate and sit in perfect balance with the crisp acid and lively sweetness. The light fizz provides a delightful tingling sensation in the mouth and the lower alcohol means the wine finishes with a refreshing feel. It can be enjoyed almost anytime but especially as an aperitif or with fruit based deserts. It is made for today, so drink before the next one is made!
